Principals Report

External Validation

Berrigan Public School is currently working through the external validation process. We submitted our report together with our self assessment last week. Tomorrow, we have a panel meeting with Sue Ruffles, Principal Support Leadership and a peer principal from Monteagle PS near Young. They will hopefully validate the evidence we have put forward. We know our journey is new, we know where we want to be, our task is how to push on.

Shave for a Cure

Next week we shave at Berrigan Public School as part of our crazy hair day celebrations!

The whole school community is invited to join us at the shaving event which will be held on the last day of this term (Friday 27th September) at 12 noon in the school hall. We are very fortunate that school parent and Berrigan hairdresser Jo Dowsett, has volunteered to shave the boys heads!

As well as the shave we are planning to sell ice cream spiders and cupcakes at recess to raise extra funds for the cause. All students are welcome to come to school with their own unique and crazy hair style on that day but still in their usual school uniform.

If you are in a position to sponsor the boys, money raised will help give those families experiencing blood cancer, the emotional and practical support they need. You’ll also be contributing to funds used for vital research to help more people survive blood cancers, while improving their quality of life.

Did you know that every day another 35 Australians are diagnosed with a blood cancer? That’s one Aussie every 41 minutes.

The sponsorship link is found on the school’s facebook page or you can access it at:
http://my.leukaemiafoundation.org.au/bugsquad

Looking forward to seeing you at the shave!

Lost Property

Our lost property area is full to overflowing again. Any unnamed clothing that is not collected before the school holidays will be donated to the op shop.

Students do need to take more pride in the uniform.
