Thankyou IGA

Berrigan Public School would like to give a big 'shout out' to Berrigan IGA and IGA Community Chest for their kind donation of \$439.40.

This donation has helped with the purchase of new Math resources that the students, K through to Yr 6, are using straight away to build their numeracy skills in the areas of number, measurement and geometry! Materials students can manipulate are essential in the learning of maths concepts.

Zone Swimming Carnival

Last Friday many of our students travelled to Finley to compete in the District Swimming Carnival with the goal of gaining a chance to compete in the Riverina Carnival in Leeton. It was an excellent day where all swimmers competed fiercely. I would like to thank all students for the way they represented our school, supporting each other and displaying great sportsmanship. Special thanks to all the parents that transported our students to the carnival, we are extremely appreciative. Congratulations to Jordan Swann on being awarded the Junior Boy Age Champion. Congratulations also to Jordan Swann and Jack Phillips for making it to the next level, the Riverina Swimming Carnival in Leeton next Wednesday. Good luck boys!!

Forensic Day

Year 6 are travelling to Finley on Friday 19th March to participate in the annual Forensic Day. For a number of years Finley High School has run this Forensics Day. The day involves Year Six students from our feeder schools coming to the high school to participate in several forensic science workshops. The day begins with the students participating in an interactive forensic science workshop. The students then break up into mixed groups to complete two forensic science experiments. We need parent helpers to transport the students to Finley High School. Please return permission note by no later than Monday 15th March.
