Robotics Challenge

Last week we welcomed Ms Kempton back to BPS for the Term 2 Robotics Challenges. Once again Years 3 and 4 worked with LEGO WeDo and Years 5 and 6 with LEGO EV3.

These are very rewarding sessions to witness, especially the manner in which the students work together to build, test and modify their creations. Gradually over the year they are building their skills and learning more about robots and themselves. In Weeks 5 and 10 of each term these students complete set tasks and participate in challenges set by Ms Kempton. There is going to be very special robotics event in late Term 3 - the BiJOU Robotics Olympics. Stay tuned for more information.

Local Weed Awareness

On Tuesday 25th May John Dent presented Years 4, 5 and 6 with a "Local Weed Awareness Interactive" program. The students learned about the weeds to watch in the Murray Region and how we can all help eradicate them from our local environment.

Police Liaison Officer Visit

I have requested a visit from the Police Liaison Officer, Constable Paul Ebsworth to address the increasing levels of anti-social behaviour being exhibited both in and out of school. This visit will take place on Monday 7th June. Cyber safety and bullying both virtually and physically will be the content of his chat. He will reinforce our messaging about being an upstander and calling out the unsafe behaviour of others whether that is online or face to face. He is also talking to the K-3 students about 'stranger danger'.

Cross Country

On Friday 14th, 26 of our students travelled to Mulwala to complete in the PSSA Zone Cross Country. Thank you to all parents who assisted with transporting children to and from this event. Congratulations to Xavier Binns, Jack Magill, Jordan Swann, Nicholas Arnold and Jack Phillips for making it to the Riverina Cross Country in Gundagai on Thursday 10th June.

Lunch Order with Berrigan Bakehouse

Tammie from Berrigan Bakehouse has kindly offered Berrigan Public School students the option to receive a lunch order on Fridays.

- Lunch orders are to be written on an envelope with students name and **correct money**. (no change will be given)
- Lunch order envelopes must be handed to office **no later than Wednesday mornings**. Any late orders won't be accepted.

Lunch orders can only be placed through the school. Tammie has asked that parents do not order at the Bakery, that all orders come through the school.

National Simultaneous Storytime

Deadly Australians

Tomorrow the whole school will get to meet some deadly Australians. Marc from Deadly Australians showcases Australia's most dangerous venomous wildlife, e.g. snakes, spiders, and marine creatures are discussed in turn, including classification. Interesting facts, curious habits and little known 'secrets' will fascinate the students, making learning both fun. Students learn how to avoid bites and stings .. and if bitten: the most important part of the session, First Aid. First Aid is demonstrated for each bite and sting situation.

Viewing and question time, where the students are encouraged to ask questions and view the exhibits more closely.
