## Zone Athletics Carnival

Congratulations to all students that have qualified to attend the Zone Athletics Carnival tomorrow at the Finley Sportsground. Parents are reminded to have their child to BPS designated school area by 9am.

We held our Athletics Carnival over two separate days and have a team of 30 representing BPS tomorrow.

Thank you to the parents, students and staff for their patience as schools work through the restrictions we are currently living in. Information is shared as soon as it is received ensuring we follow the correct procedures and guidelines to keep us all safe.

The Athletics Champions as a result of our school carnival are; **Junior Boy** - Jordan Swann, **Junior Girl** - Rachel-Joy Divinagracia, **11 Year Girl** - Crissa John, **11 Year Boy** - Jack Magill, **Senior Girl** - Lucy Pyle and **Senior Boy** - Xavier Binns. Well done to these talented young people!

# Change student to travel routines

Any variations to usual home time travel routines from school must be communicated to the school via a signed note or by ringing the front office. If your child catches the bus but you are at school to collect them please inform the office or the bus duty teacher.

At times some students try to persuade staff that they are allowed to walk home even though their usual practice is to catch the bus. We have a duty of care for your children and the usual routines will be adhered to unless we have received notification otherwise.

## AFL for Sporting Schools

Sporting Schools funding has allowed us to have AFL NSW run skill sessions over 8 weeks this term. These sessions will now happen each Monday and each class will have an hour session each week. The big bonus is that Callum, who also has his umpiring certificate, can umpire a game of football at lunch time.

## Bucket Drumming

This term on a Wednesday, Chris Bodey from South West Music will teach the Year 4/5 and 5/6 students bucket drumming. The tuneful strains of the ukulele will be replaced by the slightly noisier strains of drumsticks on plastic buckets. The students have caught on very and are quite rhythmic.

## Skillzone@Lunchtime

Every Tuesday at lunch time the Year 5/6 students will participate in a structured sporting activity run by Adam from Skillzone. We initiated this lunchtime activity to further develop skills of teamwork and fair-play for the older students and to take some of the pressure off student dynamics at play times. So far so good - we believe it has had a positive effect.
